Project Impact!: \$100- \$500 Project Impact is a series of skill-building activities that affirm, transform, and give back to our local community. Showing support for disadvantaged families, veterans, animals, and the environment, our girls develop projects that promote leadership, empathy, inclusion, and community awareness to help build a brighter Manatee.

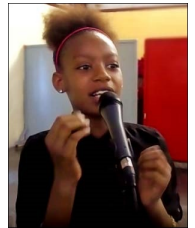

Tgcf lpi 'Dwf f lgu'89,722/'832,002 Reading Buddies pairs struggling readers with shelter animals awaiting adoption. Girls practice their reading skills, develop empathy, and learn to interpret nonverbal communication. Shelter animals receive attention, affection, and socialization. Sponsorship covers staff training, materials, instruction, and travel expenses for one academic semester (Jan-May) or one semester plus summer (Jan-July).
